CDW•G CONFIGURATION SERVICES

With more than 30 years of experience serving as a trusted IT partner, CDW has knowledgeable experts ready to help you capitalize on your IT investment. Our configuration teams have developed and executed innovative projects and helped our customers overcome incredible logistical challenges.

- **Custom branding:** Your logos, custom message and other important information can be engraved or color printed onto notebooks, mobile devices and other equipment
- **Asset tagging:** We can apply your asset tags, our standard tags or customized tags and perform data capture services.
- **Burn-in and diagnostic:** We run your devices for 12 to 48 hours to ensure all components are working properly
- **Custom packaging:** This includes kitting, palletization, inserts, welcome letters and box labeling
- **Warehousing:** We store your purchased equipment in our secure facilities, where we configure and ship it according to your logistical requirements

Contact your CDW•G account manager or call 800.808.4239 to get started.
