

# Recycling Made Easy

## Protective Eyewear Recycling Program

Divert your used protective eyewear from landfills in three easy steps:

1. Purchase a recycling box and place it in your lab or facility
2. Deposit used eyewear into the recycling box
3. Seal your box and ship it from any UPS location using the prepaid shipping label

TerraCycle will then recycle your used eyewear into new eco-friendly products.

Cat. No.	Size	Dimensions	Approximate Capacity
S88854144	Small	11 x 11 x 20 in.	10–15 lb.
S88854145	Medium	11 x 11 x 40 in.	15–20 lb.
S88854146	Large	15 x 15 x 37 in.	20–25 lb.

This program is available in the contiguous United States for non-medical use and cannot accept glass lenses.
