

Recycling Made Easy

Disposable Gloves Recycling Program

Divert your used latex, nitrile, and vinyl gloves from landfills in three easy steps:

1. Purchase a recycling box and place it in your lab or facility
2. Deposit used gloves into the recycling box
3. Seal your box and ship it from any UPS location using the prepaid shipping label

TerraCycle will then recycle your used gloves into new eco-friendly products.

Cat. No.	Size	Dimensions	Approximate Capacity
S88854124	Small	11 x 11 x 20 in.	600 Gloves
S88854125	Medium	11 x 11 x 40 in.	1,600 Gloves
S88854126	Large	15 x 15 x 37 in.	3,000 Gloves

This program is available in the contiguous United States for non-medical use and does not accept biodegradable gloves.
