

Recycling Made Easy

Disposable Mask Recycling Program

Divert your disposable masks from landfills.

Follow these three easy steps to participate in our mask recycling program:

1. Purchase a disposable mask recycling box and place it in your school or place of work
2. Deposit used masks into the recycling box
3. Seal your box and ship it from any UPS location using the prepaid shipping label

TerraCycle will then recycle your used masks into new materials.

This program is available for non-medical use in the U.S. only.

Disposable Mask Recycling Boxes

Cat. No.	Size	Dimensions	Capacity*
S88854115	Small	11 x 11 x 20 in.	550 Masks
